AUTO SPARE PARTS POS

POS for auto spare parts shops

Find parts by vehicle or OEM number, see stock by warehouse and rack, and offer cross-references.

- ZATCA Phase 2
- Arabic and English
- Works offline
- Hijri and Gregorian dates
- StartAI built in

AT THE COUNTER

Made for the way you sell

Pick the make, model and year or look up the customer's plate, see only the parts that fit, check stock on every rack and offer an in-stock alternative before the customer walks away.

Find parts by vehicle
Filter by make, model and year or a customer's plate or VIN, plus universal parts.

Part, OEM and barcode search
Search by part number, OEM or cross-reference number or barcode.

Stock by warehouse and rack
Live stock in the main and workshop stores with rack location and minimum level.

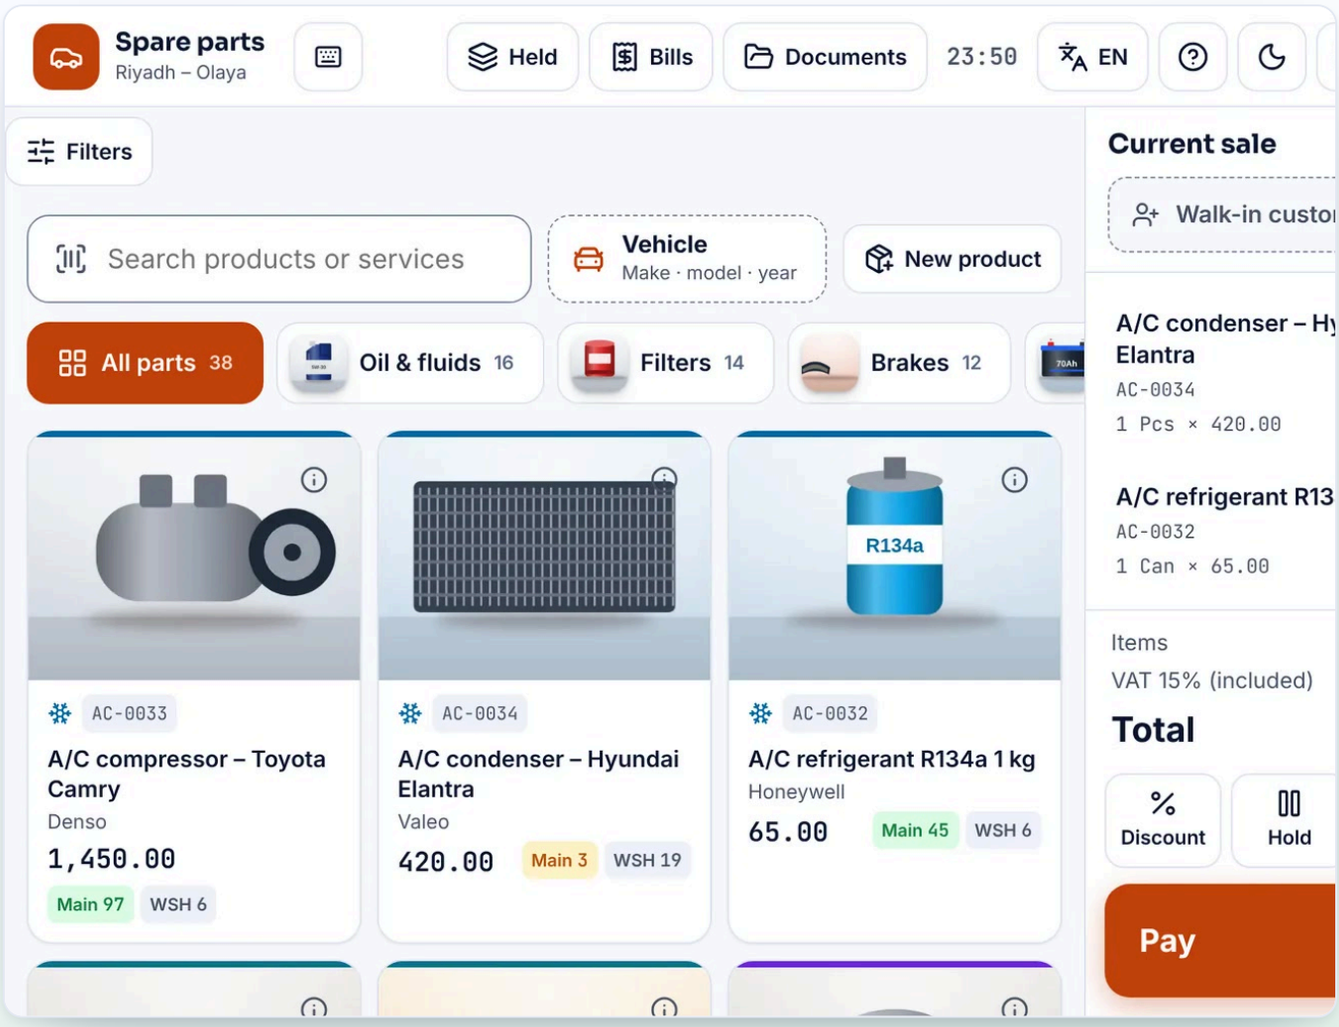

Alternatives and back-orders
Offer in-stock cross-references when a part is out, or take a back-order.

Retail, wholesale and floor price
See brand, origin, prices with and without VAT, wholesale and the lowest allowed price.

Counter sale to job card
Turn a counter sale into a workshop job card with labour lines such as an oil change.

Ideal for

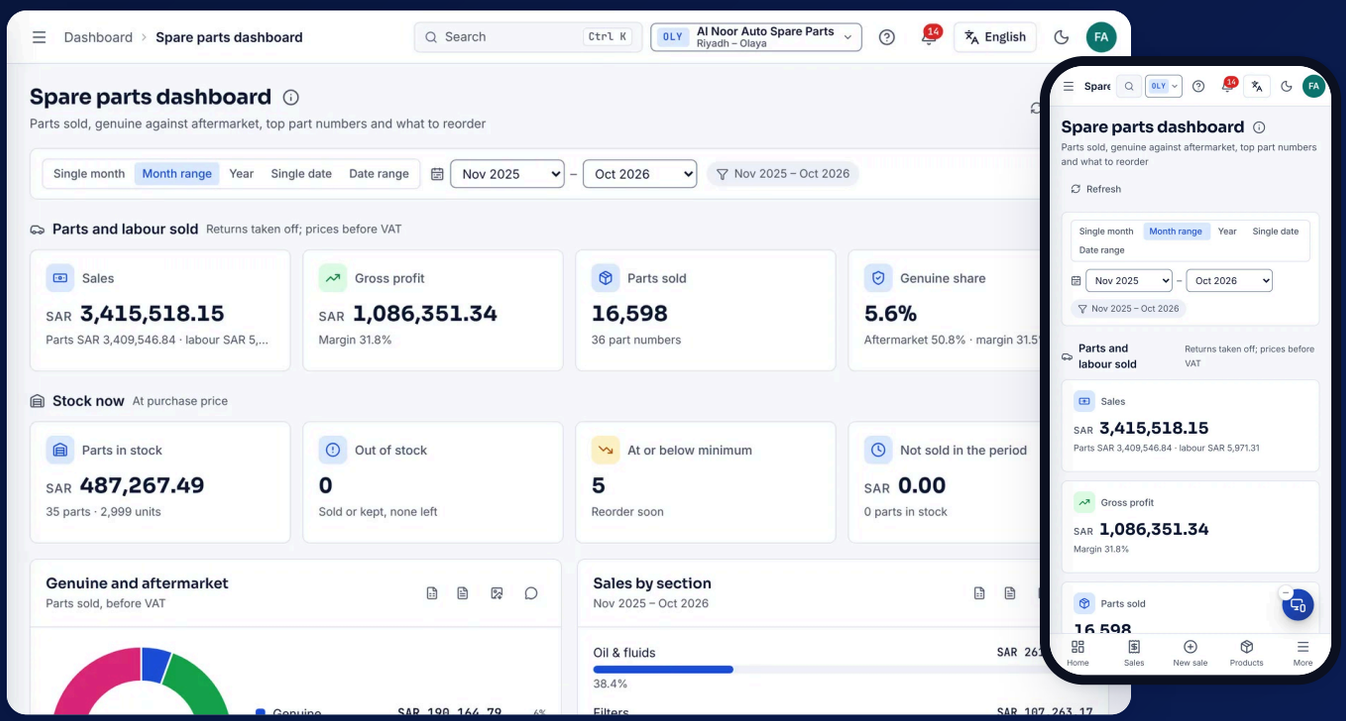

Spare parts shops · Parts distributors · Tyre and battery shops · Oil and lubricant stores

YOUR DASHBOARD

Your business at a glance

Sales, profit and what sells, in your own words, on the computer and the phone.

COMPLIANCE

ZATCA Phase 2 e-invoicing, built in

- **Cleared and reported.** Tax invoices are cleared and simplified invoices reported, with the status on every invoice.
- **QR code and signed XML** on every invoice, printed or sent on WhatsApp and email.
- **Bilingual tax invoices** in Arabic and English with your CR and VAT numbers.
- **Offline till.** Keep selling when the internet drops; invoices go to ZATCA when you are back online.
- **VAT 15% reports** ready for your return, plus credit and debit notes.

Phase 2 comes with the ZATCA e-invoicing add-on; every store gets the Phase 1 QR code.

OUR MISSION

More than a POS: one platform for your whole business

- Your data, ready for any AI
- Bring your data from your old system
- Talk to your business data
- Sell online — Coming soon
- See your business at a glance
- Work from anywhere, even offline
- Stay compliant at the till
- Every branch on one platform
- Run everything in one place

Sample items from the demo store

Labour: oil change	**SAR 69.00**	Spark plug (iridium)	**SAR 45.00**

Questions owners ask

Can I search by OEM number?
Yes. Search by your part number, the OEM number, a cross-reference number or the barcode, and the terminal shows in-stock alternatives when a part is out.

Can I issue tax invoices to workshops and companies?
Yes. VAT-registered customers receive a standard B2B tax invoice with their VAT number, cleared with ZATCA.

PRICES

Prices on request

Tell us your branches, POS terminals and the add-ons you need, and we send your price per store, with and without 15% VAT.

- Unlimited users and devices
- 2 POS terminals included
- 15-day free trial
- Add only the modules you need
