AT THE COUNTER

Made for the way you sell

Bill the Vaidya's OP consultation and prakriti assessment, a Virechana or a course of Matra vasti, a Pizhichil or Shirodhara session, the room, pathya diet and bystander by the day and a 14-day Panchakarma package, each with the patient, the Vaidya and the therapist on the line. Every stay and package opens on the Inpatients & courses board from booked to admitted, discharged and closed, and the Ayurveda dashboard shows who is in house, who arrives this week, the stays running past their day and each therapist's sessions.

Vaidya OP and prakriti assessment

OP, senior Vaidya, follow-up and online consultations, prakriti and nadi assessment and diet counselling, each billed to the patient by name.

Panchakarma and Kerala therapies

Vamana, Virechana, Kashaya and Matra vasti, Nasyam and leech therapy; Abhyangam, Pizhichil, Njavarakizhi, Elakizhi, Shirodhara and more, with the therapist on the line.

Rooms, diet and bystanders by the day

General ward, private and deluxe rooms, pathya diet and bystander stay, with the admission and expected discharge day on the line.

7, 14 and 21-day packages

Panchakarma, Rasayana, arthritis and weight management packages, with the first and last day on the invoice.

Inpatients & courses board

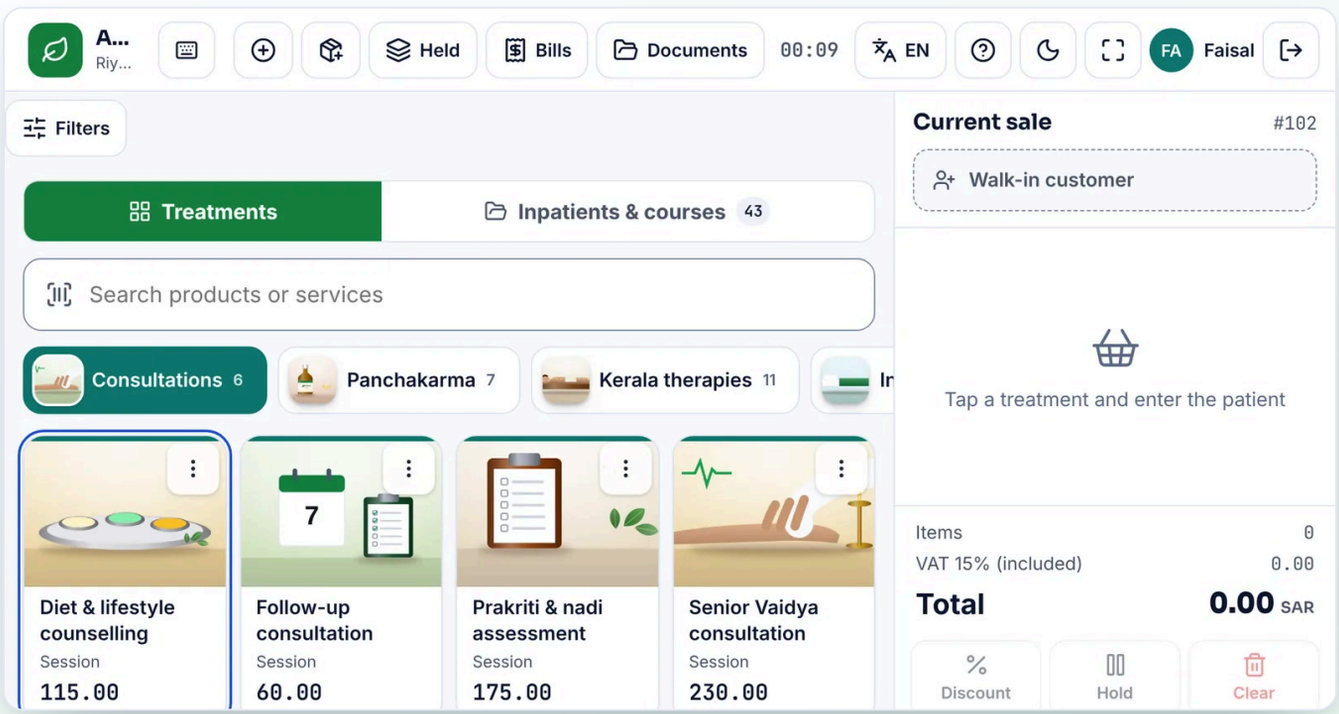

Every stay and package moves from booked to admitted, discharged and closed, so no discharge or bill is missed.

Yes. A paid stay or package opens on the Inpatients & courses board and moves on to admitted, discharged and closed; the Ayurveda dashboard lists the stays past their last day.

How is GST handled in India?
Consultations, therapies and stays of a clinical establishment are set GST-exempt and Ayurvedic medicines at 5% in the starter catalogue; you can change any item's rate.
