AT THE COUNTER

Made for the way you sell

Sell a Schengen visa, a Riyadh–Dubai ticket or a company formation package in a few taps. Every service asks for the passenger, passport, route, travel date or PNR it needs and prints them on the ZATCA invoice, and visa and set-up jobs move along a files board until they are delivered.

Visa, passport and iqama services

Umrah, UAE, Schengen, UK and US visas, exit and re-entry, iqama renewal and passport renewal, each with the applicant and passport number.

Air tickets with PNR

Type the fare for each booking and record the passenger, route, travel date and PNR on the invoice line.

Tour and Umrah packages

Sell packages per traveller with the lead traveller and departure date, plus hotels, airport transfers and train tickets.

Business set-up services

Company formation, foreign investment licence, commercial registration, VAT registration, labour setup and yearly PRO contracts, billed to the company name.

Files board to delivery

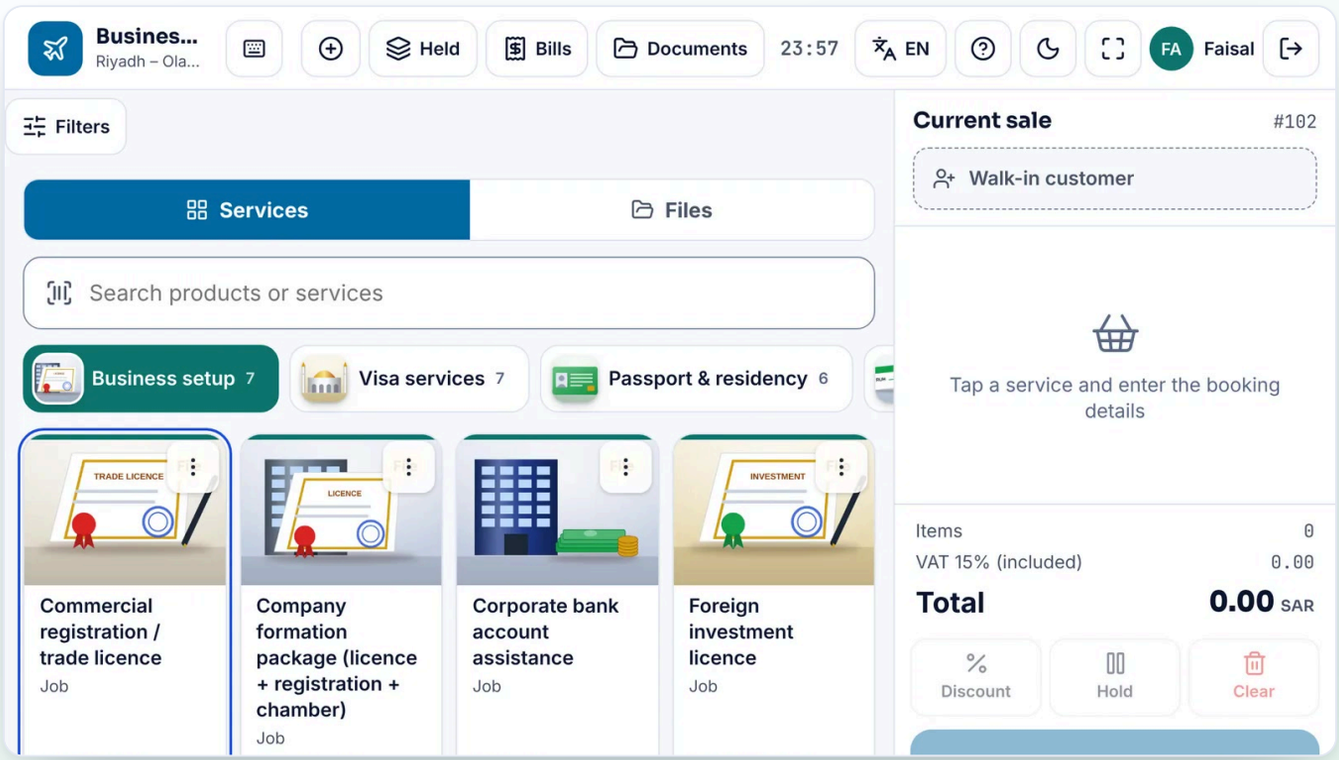

Every paid visa, passport, set-up and attestation job opens a file that moves from received to submitted, approved and delivered, or rejected.

Attestation, translation and insurance

MOFA and embassy attestation, legal translation by the page, police clearance and travel or visit visa medical insurance.

Ideal for

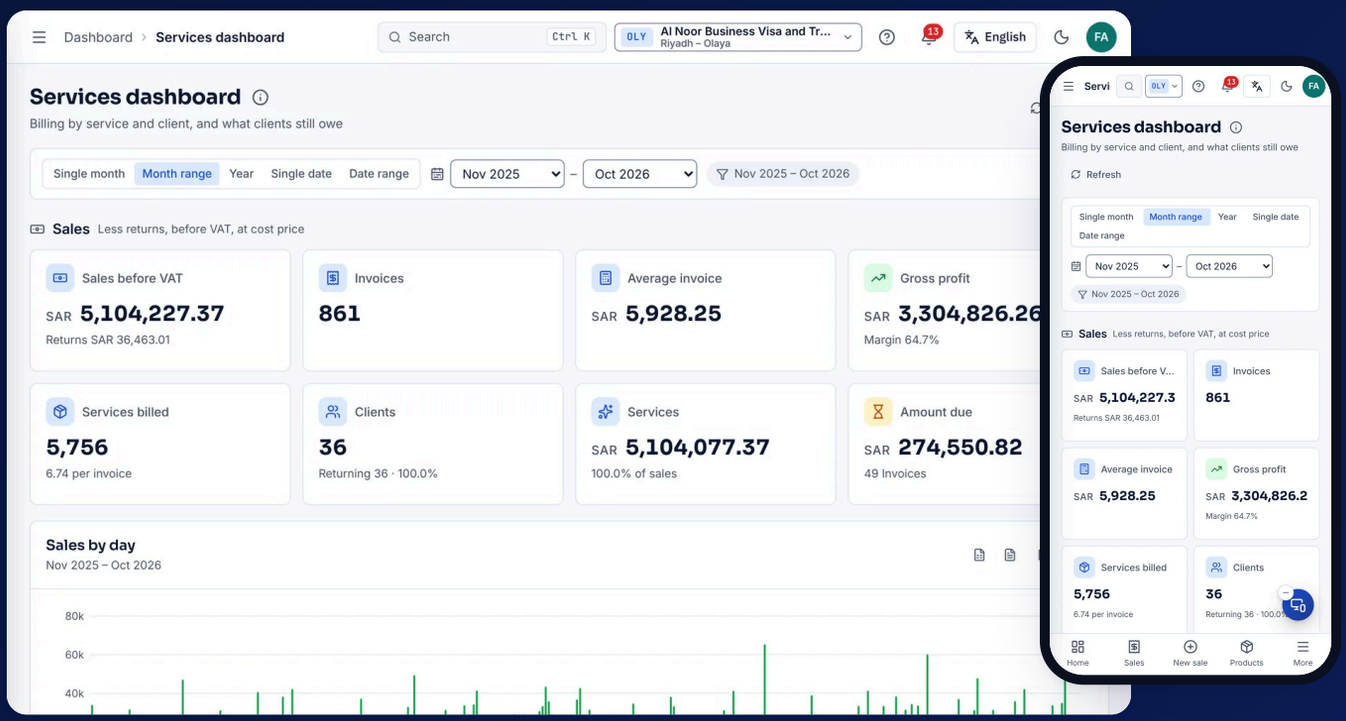

Travel and tourism agencies · Visa and passport service offices · Business set-up and PRO firms · Umrah and Hajj operators
