AT THE COUNTER

Made for the way you sell

Hyundai and Kia share many parts, so the vehicle picker offers both: pick Accent, Elantra, Sonata, Tucson, Santa Fe or Creta, or Cerato and Sportage, and the year. The Mobis oil filter that fits most of them is one scan away, with the Bosch alternative and its margin beside it.

Hyundai and Kia models

Accent, Elantra, Sonata, Tucson, Santa Fe, Creta, Azera and H-1, with Kia Cerato, Sportage, K5 and Pegas.

Mobis and aftermarket

Bosch, Brembo, Mann, Valeo and Varta parts name the Mobis numbers they replace.

Search by part number

Scan or type a Mobis number, an aftermarket number, the barcode or the name.

Spare parts dashboard

Genuine share and margin, top part numbers and the reorder list, by section.

Stock by warehouse and rack

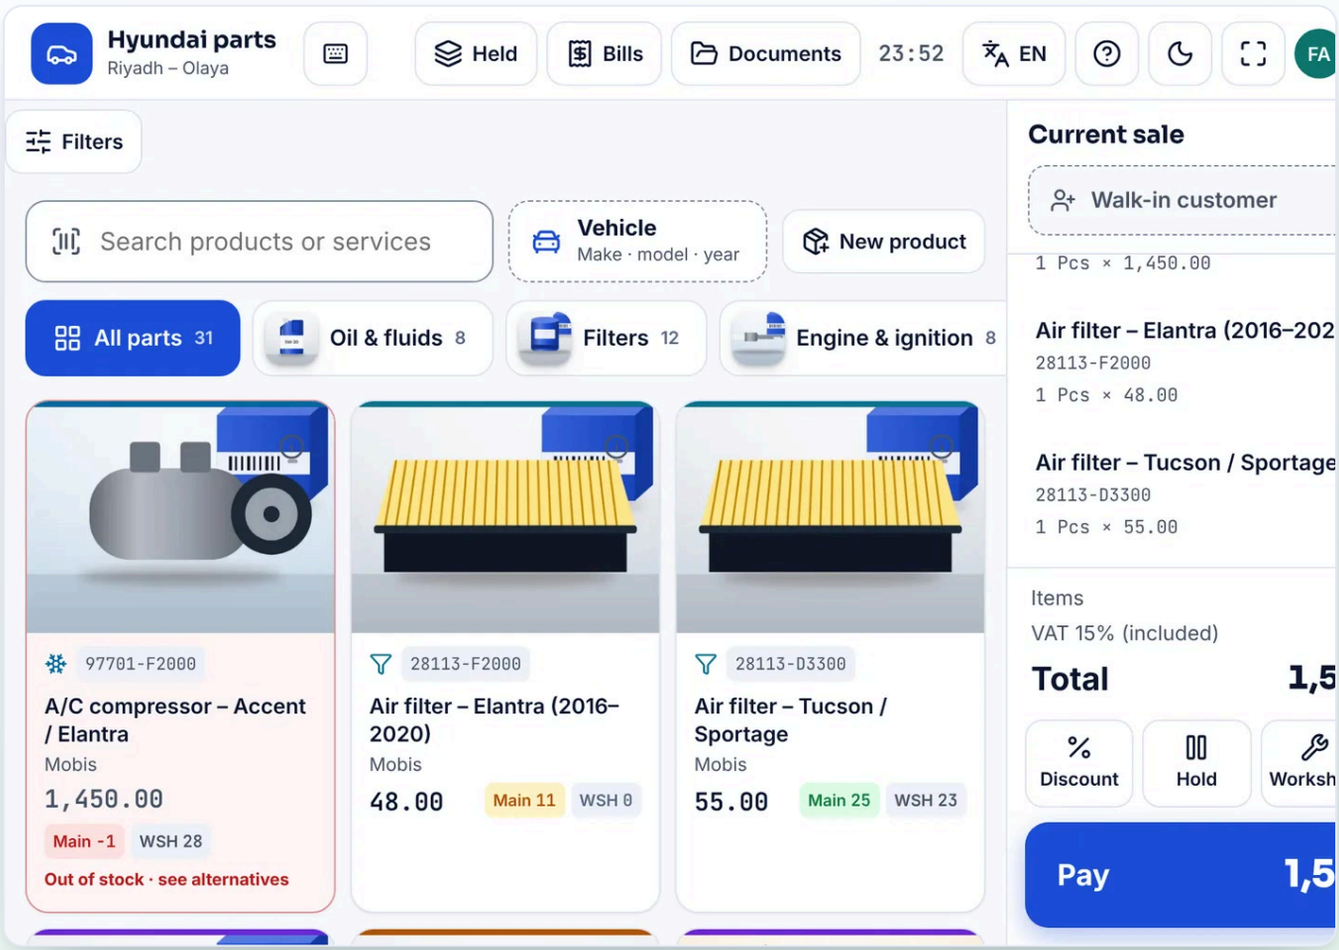

Live stock with rack and minimum for every part, in the shop and the workshop store.

Counter sale to job card

Turn a sale into a workshop job card with brake fitting or a periodic service.

Ideal for

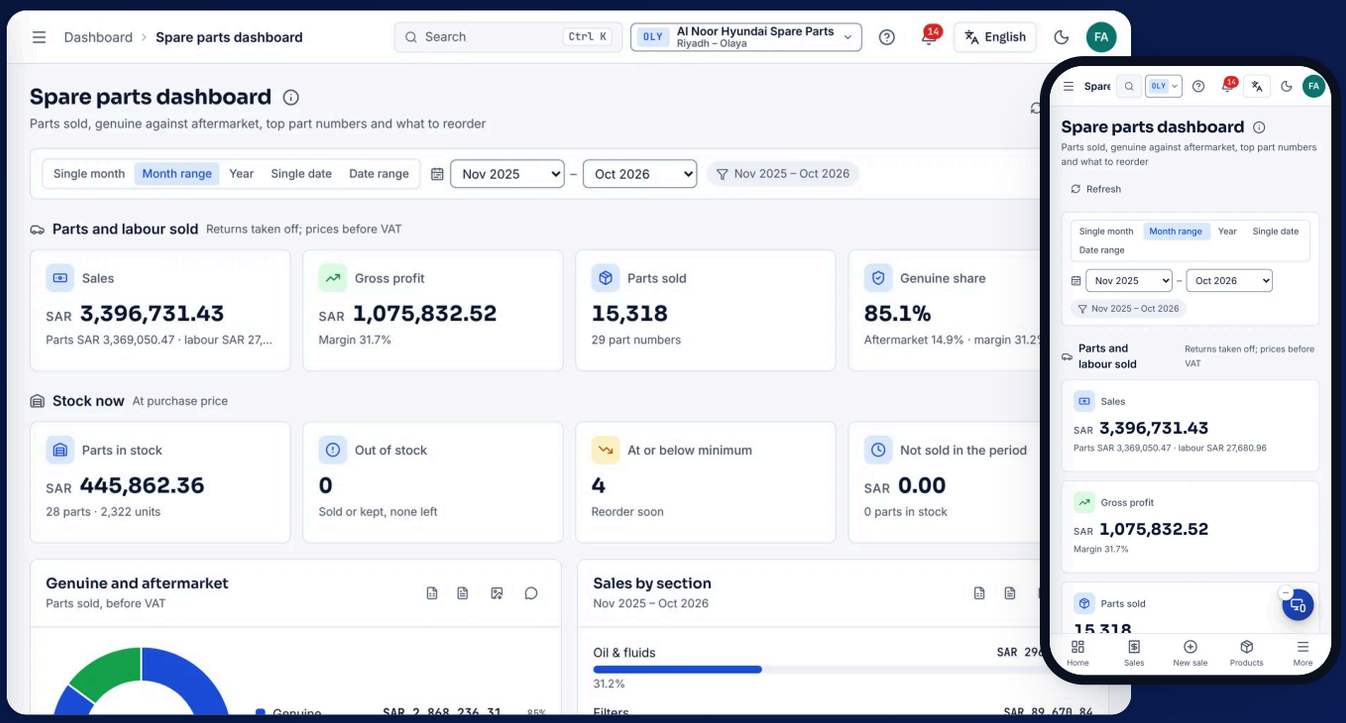

- Hyundai parts shops
- Kia parts shops
- Mobis parts dealers
- Taxi and rental fleet suppliers

Questions owners ask

Can one shop sell Hyundai and Kia parts?
Yes. Both makes are in the vehicle picker and a part can fit models of both.
