AT THE COUNTER

Made for the way you sell

Sell a membership with the member's start and end day, a personal training pack with his coach, a CrossFit or boxing class or a locker, and a tub of whey on the same bill. The Memberships page shows who ends this week and who lapsed, with a WhatsApp reminder ready, and the Gym dashboard shows what the gym earns from plans, PT, classes and the shop.

Memberships and renewals

Plans of 1 to 12 months with the member, the start and the end day; the Memberships page lists the plans ending this week and the lapsed ones, with a WhatsApp renewal reminder.

Personal training

Single sessions and packs of 10 or 20 with coaches, diet plans and online coaching, each with its trainer.

Classes and class passes

Drop-in classes, 10-class passes and unlimited monthly classes on the same bill.

Lockers, towels and InBody

Locker rental with its number, towel service, day passes, joining fees, freeze fees and InBody body composition tests.

Supplements and shop

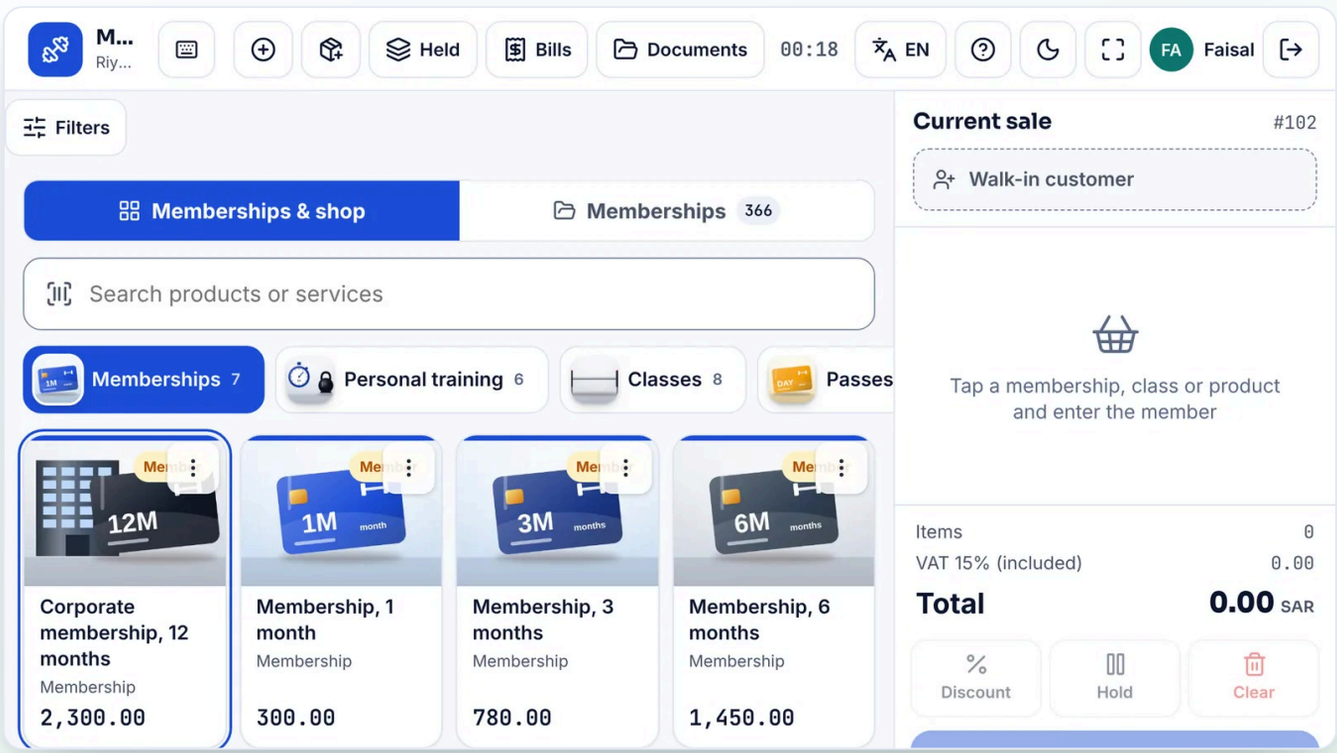

Whey, creatine, pre-workout, mass gainers, BCAA, energy drinks, belts and gloves, with batches and expiry dates for the supplements.

Gym dashboard and StartAI

Memberships against PT, classes and the shop, busy hours and returning members; StartAI and StartAI Radio tell you who to call for a renewal.

Ideal for

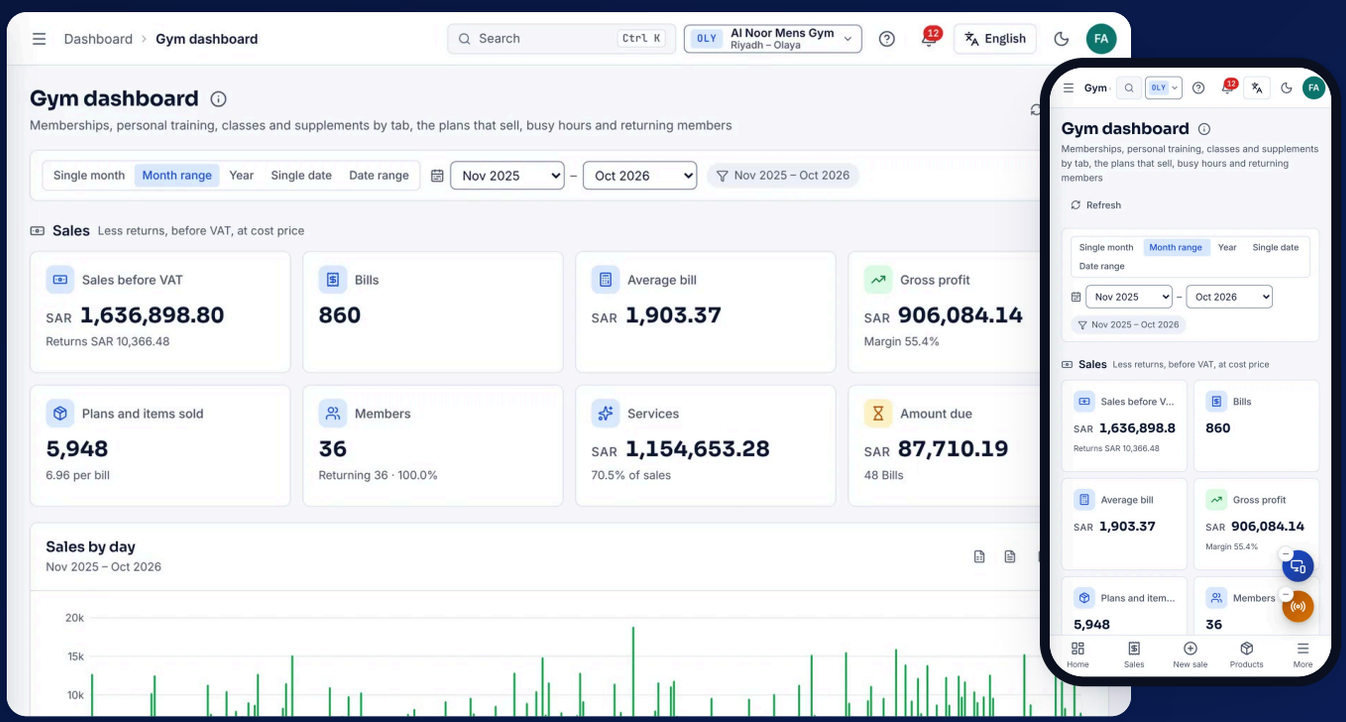

- Men's gyms and bodybuilding clubs
- CrossFit boxes and boxing gyms

Questions owners ask

Can I see whose membership ends this week?
Yes. The Memberships page lists the plans ending within 7 days and the ones that lapsed without a renewal, with the member's phone and a WhatsApp reminder ready to send.

Can I track supplement expiry dates?
Yes. Add the Batch & expiry dates add-on: record the batch and expiry of each whey or creatine delivery, and the expiry board shows what expires soon so you sell it first.
