AT THE COUNTER

Made for the way you sell

Ring up a 60-minute Abhyanga, a four-hand massage, a Shirodhara, a Mukhalepam facial, a private yoga session or a 7-night rejuvenation retreat with the guest and the therapist on the line, and sell oils and soaps from stock on the same bill. Each retreat opens on the Retreats & packages board from booked to arrived, departed and closed, and the Ayurveda dashboard shows who arrives this week, who is in house and each therapist's sessions.

Massages and rituals

Abhyanga of 60 and 90 minutes, four-hand, head, foot and marma therapy, Shirodhara, Kizhi, Pizhichil and Udvartanam, each with the therapist on the line.

Herbal facials and beauty

Mukhalepam and Kumkumadi facials, Netra tarpanam, hair and scalp treatments and Ubtan polish.

Yoga and meditation

Private and group yoga, guided meditation and Pranayama classes sold by the session.

Retreats & packages board

Day rituals and 3, 7 and 14-night retreats move from booked to arrived, departed and closed, with the arrival and departure day on the invoice.

Therapist and room schedule

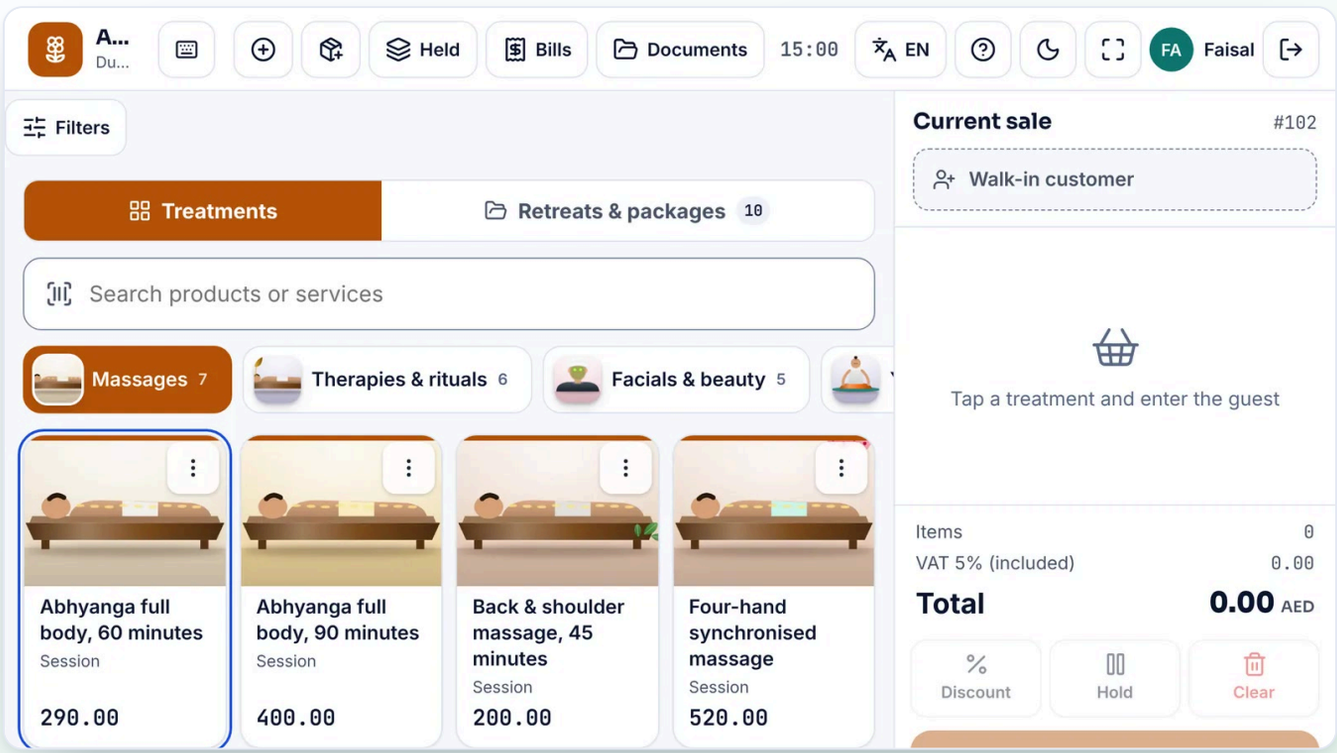

With the Panchakarma & therapy schedule add-on each guest's rituals are booked day by day and no therapist or room is booked twice.

Ayurveda dashboard

Revenue by therapy, retreat and product, the busiest therapists and the guests arriving, on one dashboard.

Ideal for

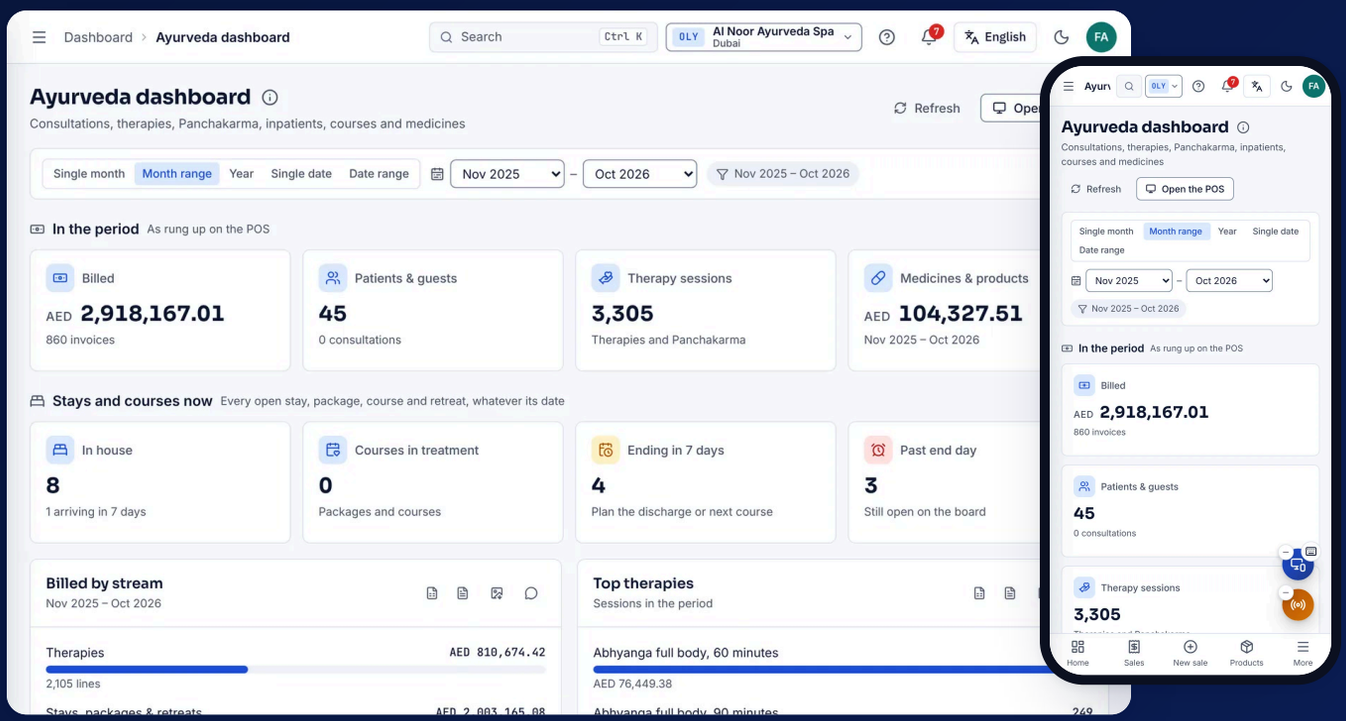

- Ayurveda spas
- Wellness resorts and retreats
- Hotel and resort spas offering Ayurveda
- Yoga and meditation centres

Questions owners ask

Can I see which guests arrive this week?
Yes. The Ayurveda dashboard counts the retreats arriving in the next 7 days and those in house; the Retreats & packages board lists each one.

Can I sell oils and products on the same bill?
Yes. Massage oils, face oils, soaps and bath powders sell from stock next to the treatments.
