Serve the counter, cars parked outside, phone orders and delivery apps from one screen, with order numbers on a ready board and a one-tap 'make it a meal' upsell.

Car-side orders
Record the UAE plate, car make, colour and parking spot, then take the order out to the car.

Delivery-app orders
Talabat, Deliveroo, Careem and Noon Food orders are marked paid on the app with their order number.

Ready board with timers
Order numbers move to the ready board with timers, so nothing waits too long.

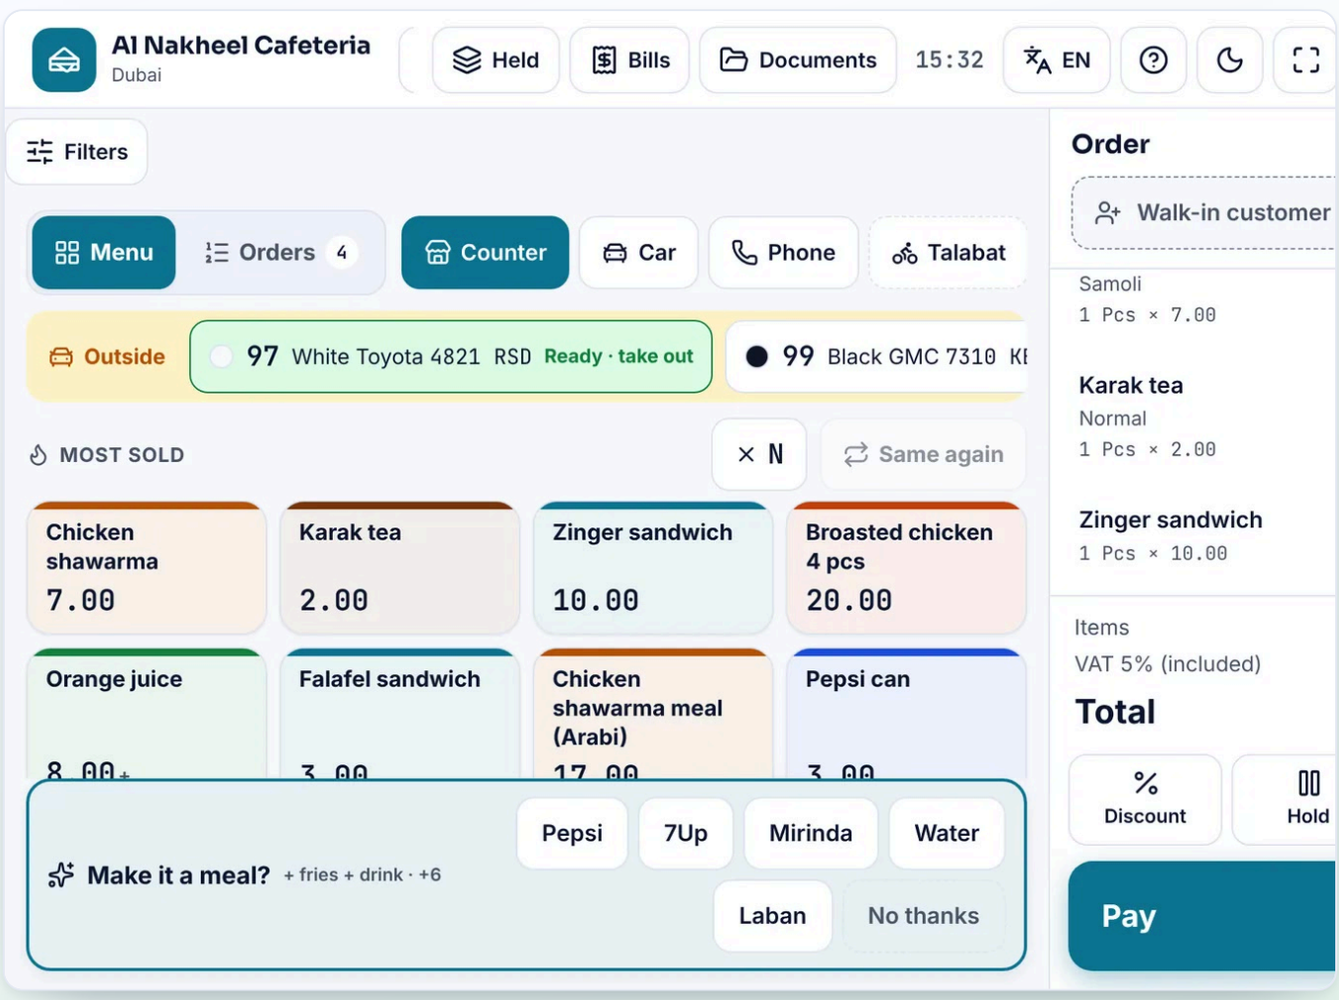

Make it a meal
Add fries and a drink to any sandwich in one tap.

Juice sizes and options
Small, medium and large juices, and sauce, bread, sugar and side options on a long press.

Same again
Most-sold tiles and a repeat button keep the lunch rush moving.
