COMPLIANCE

UAE VAT, done right

- **Tax invoices** with your TRN, your business customers' TRN and the VAT on every line.
- **VAT 201 return** laid out box by box, with your standard rated sales by emirate.
- **FTA Audit File (FAF)** and the sales and purchase tax register, downloaded in a click.
- **Offline till.** Keep selling when the internet drops; everything syncs when you are back online.
- **Credit and debit notes** and returns, with the VAT reversed for you.

The VAT 201 return and the FTA Audit File come with the VAT return add-on.

Questions owners ask

How is play time charged?
Each station has its own hourly rate. Time is billed per 15 minutes after a 3-minute grace (VR and sims per 30 minutes), and moving to another station keeps time already played at the old rate.

Can players buy hours in advance?
Yes. Hour packs with bonus hours are held on a membership card by mobile number and used on PS5 and PC stations.
