AT THE COUNTER

Made for the way you sell

Sell a pool villa, beachfront villa, chalet or desert tent by the night with the guest, room, dates and booking channel, add the meal plan, book the dive, safari or yacht, and charge the spa, cabana and beach bar to the room. Walk-in visitors buy day passes at the same till, and the stays board follows every guest from booked to checked out.

Villas, chalets and rooms by the night

Each villa or room is sold with the guest, its number, check-in, check-out and channel, and the nights are worked out from the dates.

Meal plans

Bed & breakfast, half board, full board and all-inclusive per person per night, on the guest's room.

Activities and excursions

Scuba dives, snorkelling trips, desert safaris, kayaks, the kids club and yacht charters, each booked with the guest and the date.

Cabanas and day passes

Beach cabanas and pool and beach day passes for visitors, or charged to a guest's room.

Room rack, folios and night audit

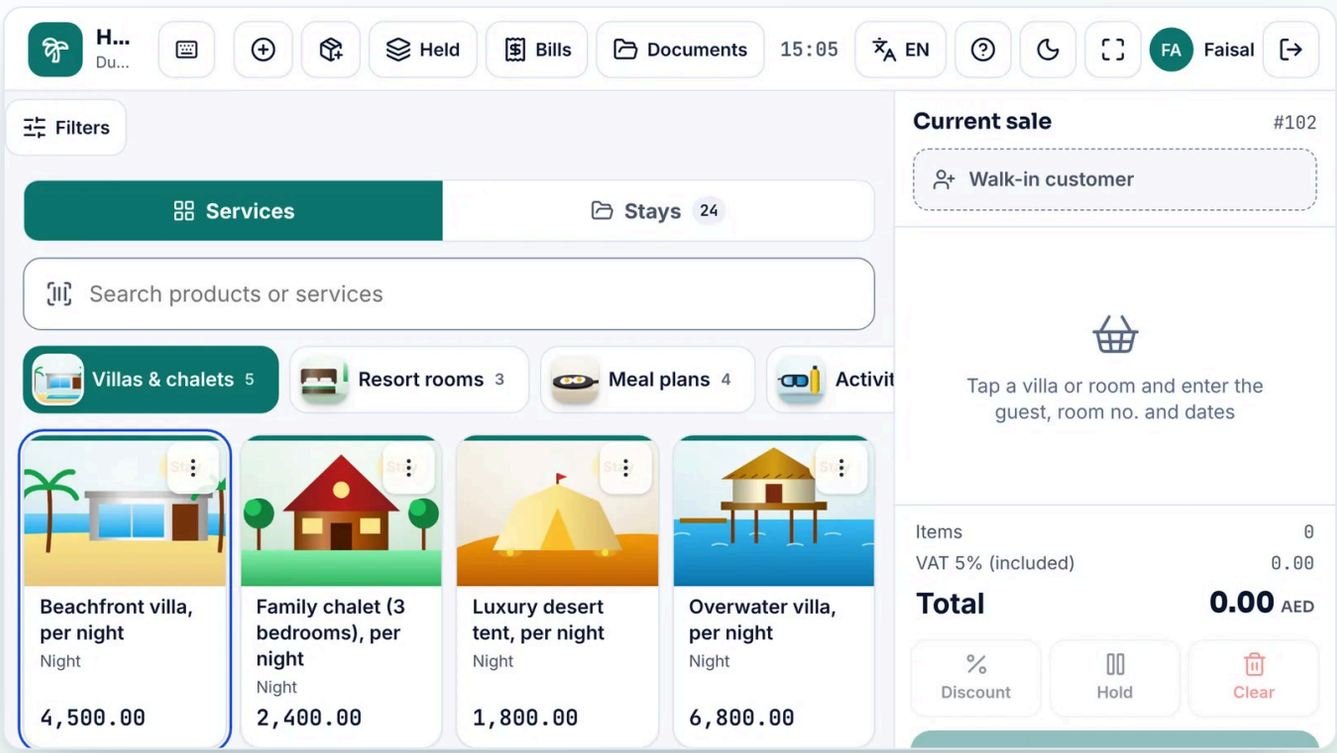

The same hotel add-ons work for villas: occupancy, ADR and RevPAR, guest folios, housekeeping, booking channels and the closed day.

Weddings and events

Beach weddings, sunset parties and retreats booked by venue, date and time with guests, menu and deposit.

Ideal for

- Beach and island resorts
- Desert camps and glamping
- Chalets and holiday villas
- Hotels with a pool and beach club

Questions owners ask

Can day visitors buy a pass at the same till?
Yes. Day passes and cabanas sell to walk-in visitors like any item; type a room number to charge one to a staying guest instead.

Does it handle all-inclusive?
Yes. Sell the all-inclusive plan per person per night with the room; outlet bills can still be kept on the folio at no charge or for extras.
