AT THE COUNTER

Made for the way you sell

Sell a membership with the member's start and end day, a personal training pack with her trainer, a Zumba or Pilates class or a locker, and a protein shake on the same bill. The Memberships page shows who ends this week and who lapsed, with a WhatsApp reminder ready, and the Gym dashboard shows what the club earns from plans, PT, classes and the shop.

Memberships and renewals

Plans of 1 to 12 months with the member, the start and the end day; the Memberships page lists the plans ending this week and the lapsed ones, with a WhatsApp renewal reminder.

Personal training

Single sessions and packs of 10 or 20 with female trainers, diet plans and online coaching, each with its trainer.

Classes and class passes

Drop-in classes, 10-class passes and unlimited monthly classes on the same bill.

Lockers, towels and InBody

Locker rental with its number, towel service, day passes, joining fees, freeze fees and InBody body composition tests.

Supplements and shop

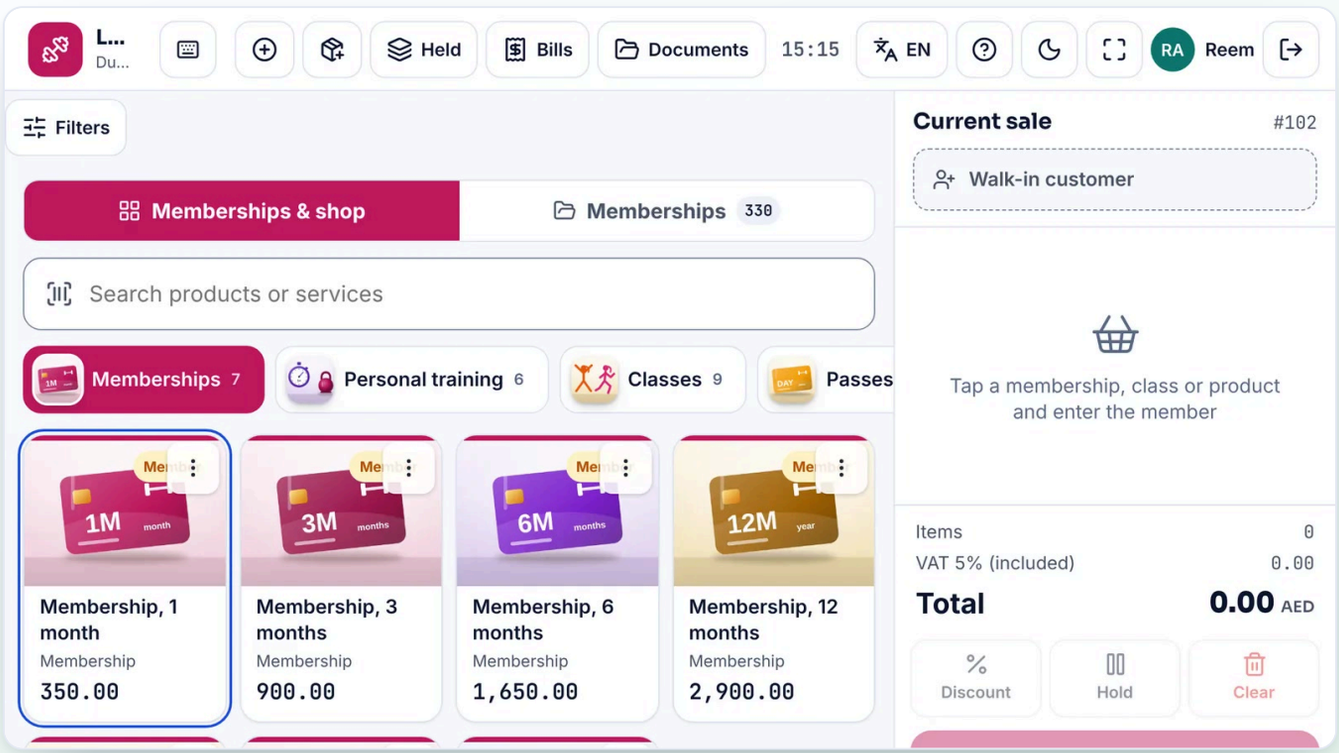

Collagen, whey, vitamins, shakes, yoga mats and gym wear, with batches and expiry dates for the supplements.

Gym dashboard and StartAI

Memberships against PT, classes and the shop, busy hours and returning members; StartAI and StartAI Radio tell you who to call for a renewal.

COMPLIANCE

UAE VAT, done right

Questions owners ask

Can I see whose membership ends this week?
Yes. The Memberships page lists the plans ending within 7 days and the ones that lapsed without a renewal, with the member's phone and a WhatsApp reminder ready to send.

Does it suit a ladies-only gym in the Gulf?
Yes. The trainers in the starter catalog and the demo are women, the screens call customers members, and the demo store is set up as a ladies' gym.
