AT THE COUNTER

Made for the way you sell

Sell a 60 kVA silent generator, a 400 A ATS panel and 80 metres of 4C × 95 mm² armoured cable on one invoice, then add the installation and commissioning with the client and the site printed on the line. The generator and the UPS carry their serial numbers and warranty, the job moves from scheduled to on site, commissioned and handed over on the Jobs board, a UPS in for a board repair is followed until it is ready, generator and UPS AMCs renew every year from Recurring contracts, tenders and bank guarantees are kept with their expiry, and the Power & telecom dashboard shows what equipment, installation, AMC and repairs each earned.

Generators, ATS and fuel tanks

Silent and containerised diesel generators from 20 to 500 kVA, portable sets, ATS panels, controllers with remote monitoring and day tanks, with the rating and phase on every product.

UPS, inverters, batteries and solar

Online and modular UPS, hybrid inverters, VRLA and lithium batteries, solar panels, on-grid inverters and mounting: each UPS, inverter and generator takes its serial number and warranty on the invoice line.

Cables by the metre, coil or drum

Copper and aluminium armoured cable, MV cable, wire coils and drums, cable trays, breakers, distribution boards and capacitor banks, with the size and voltage on every product.

Fibre, towers and radio

Fibre optic cable, FTTH drop cable, ODF panels, splice closures, SFP modules, microwave links, sector antennas, masts and 48 V rectifiers for telecom sites.

Installation, AMC and repairs on the Jobs board

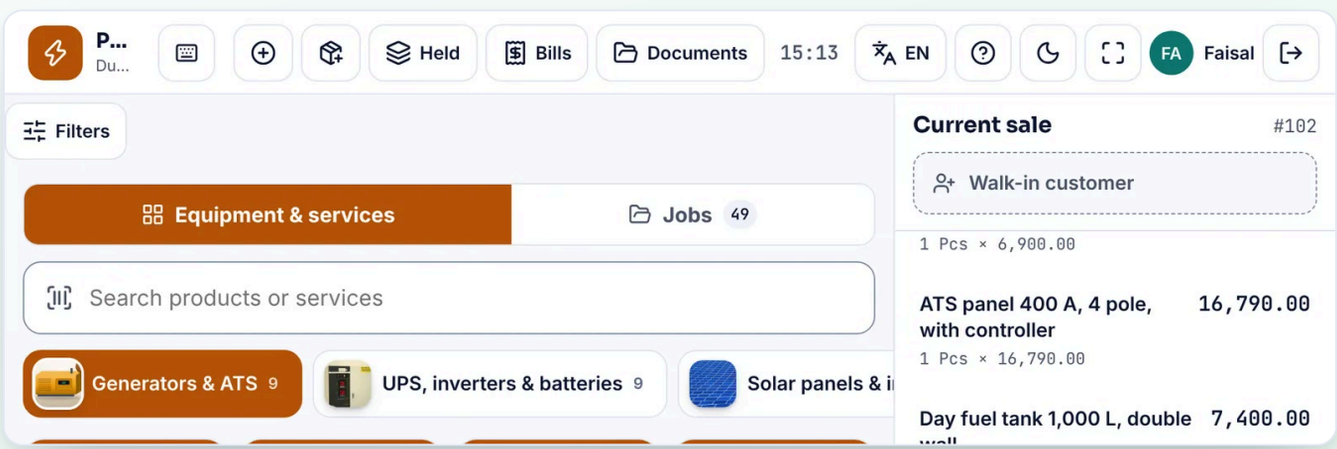

Site surveys, installation and commissioning, cable laying and fibre splicing ask for the client, the site and the date; AMC contracts and repairs and tests (generator service, battery test, IR scan, megger, OTDR) move from scheduled to handed over.

A Power & telecom dashboard

Sales and margin by tab and brand, equipment against installation, AMC and repairs, the contractors and operators who buy most and what they still owe.

Ideal for

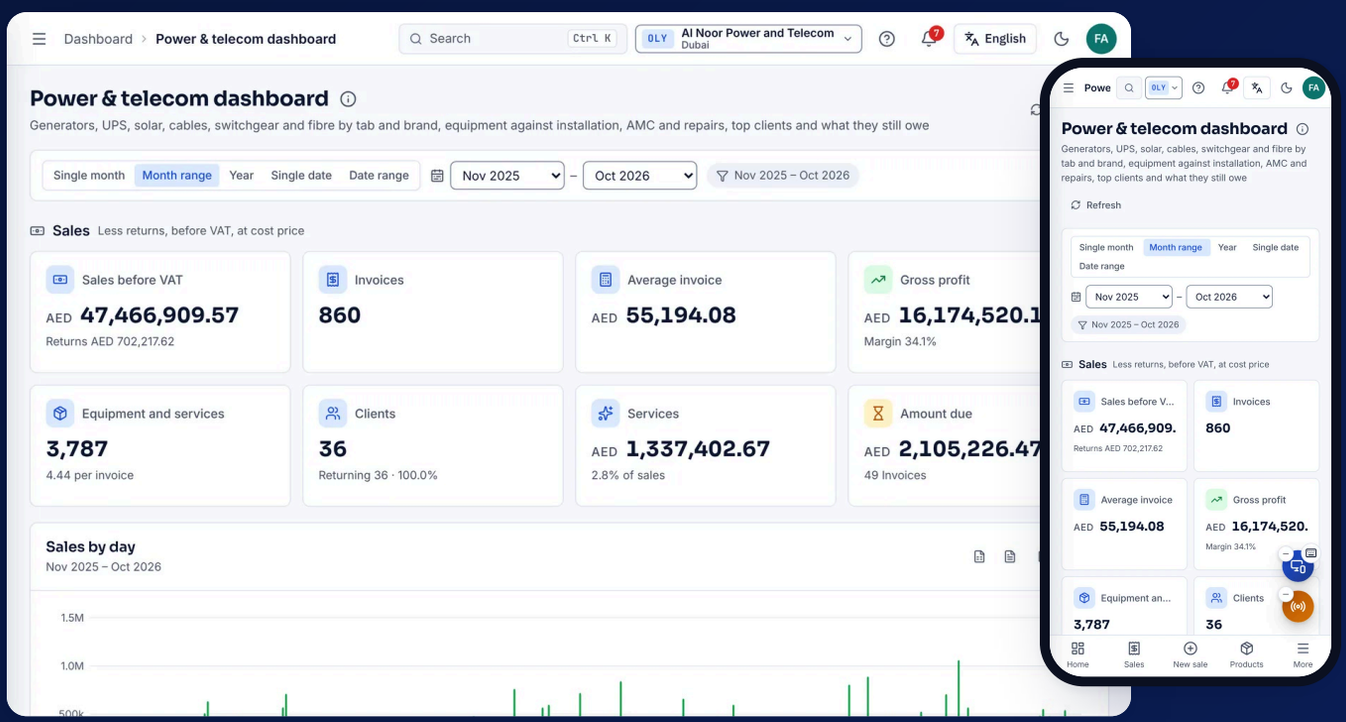

- Generator and UPS suppliers and service companies
- Solar installers and EPC contractors
- Cable, switchgear and electrical traders
- Telecom fibre, tower and radio contractors

YOUR DASHBOARD

Power & telecom dashboard

Generators, UPS, solar, cables, switchgear and fibre by tab and brand, equipment against installation, AMC and repairs, top clients and what they still owe

COMPLIANCE

UAE VAT, done right

- **Tax invoices** with your TRN, your business customers' TRN and the VAT on every line.
- **VAT 201 return** laid out box by box, with your standard rated sales by emirate.
- **FTA Audit File (FAF)** and the sales and purchase tax register, downloaded in a click.
- **Offline till.** Keep selling when the internet drops; everything syncs when you are back online.
- **Credit and debit notes** and returns, with the VAT reversed for you.

The VAT 201 return and the FTA Audit File come with the VAT return add-on.

OUR MISSION

More than a POS: one platform for your whole business

- **Your data, ready for any AI**
- **Bring your data from your old system**
- **Talk to your business data**
- **Sell online** — Coming soon
- **See your business at a glance**
- **Work from anywhere, even offline**
- **Stay compliant at the till**
- **Every branch on one platform**
- **Run everything in one place**

Sample items from the demo store

Diesel generator 60 kVA, silent canopy	**AED 54,900.00**	Online UPS 10 kVA, 3-phase in	**AED 13,900.00**
Solar panel 550 W mono PERC	**AED 520.00**	Armoured cable 4C × 95 mm² Cu, per metre	**AED 360.00**
Generator installation & commissioning	**AED 4,500.00**	Generator AMC, up to 150 kVA, 1 year (4 services)	**AED 4,800.00**

Questions owners ask

Can I record the serial number and warranty of each generator and UPS?
Yes. A generator, UPS or inverter asks for its serial number and warranty at the till and prints them on the invoice; with the IMEI & serial numbers add-on each unit shows as in stock, sold or returned.

Can I sell cable by the metre and by the drum?
Yes. Cable sells by the metre, the coil or the drum; with the Units of measure add-on one product keeps its metre, coil and drum prices and stock in metres.

PRICES

Prices on request

Tell us your branches, POS terminals and the add-ons you need, and we send your price per store, with and without 5% VAT.

- Unlimited users and devices
- 2 POS terminals included
- 15-day free trial
- Add only the modules you need
