AT THE COUNTER

Made for the way you sell

Seat a table in the main hall, the family room or on the terrace, send Adana and shish kebabs to the ocakbaşı grill and pide and lahmacun to the stone oven, and serve the meze, döner, home-style mains and künefe from the kitchen. A kebab plate asks for its rice pilaf, bulgur or fries, Turkish coffee for its sugar, and the waiter takes the order on a phone.

Charcoal grill and stone oven tickets

Kebabs, shish and köfte print at the ocakbaşı grill, pide and lahmacun at the stone oven, meze and mains in the kitchen, tea and coffee at the bar, each on its own ticket.

Kebab plates with their side

A kebab plate asks for rice pilaf, bulgur pilaf, fries or lavash, lahmacun for its spice, pide for an egg, extra kaşar or sucuk, and a mixed grill for 1, 2 or 4 persons.

Tables, waiters and reservations

The main hall, the family room and the terrace each have their tables; waiters order from their phones, guests can order by QR code, and bookings fill the evening.

Turkish tea and coffee

Tea in its tulip glass, Turkish coffee sade, orta or şekerli, ayran and fresh pomegranate juice, sent to the tea and coffee bar.

Marinated meat made in batches

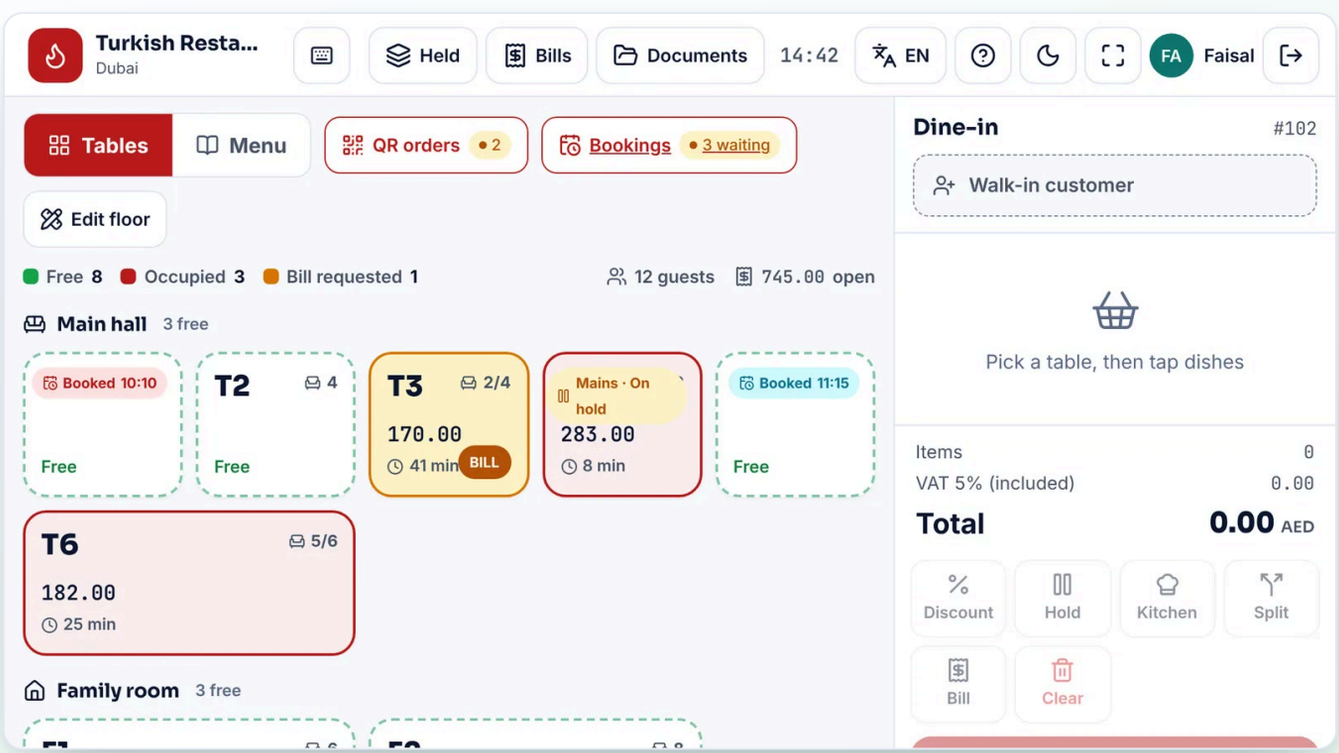

With the Kitchen production add-on, season the Adana mince, marinate the tavuk şiş and cook the rice pilaf in batches against a par for each weekday.

Recipes and food cost

Every kebab, pide and döner takes its lamb, chicken, flour and spices from stock, so you see the food cost of each plate.

Ideal for

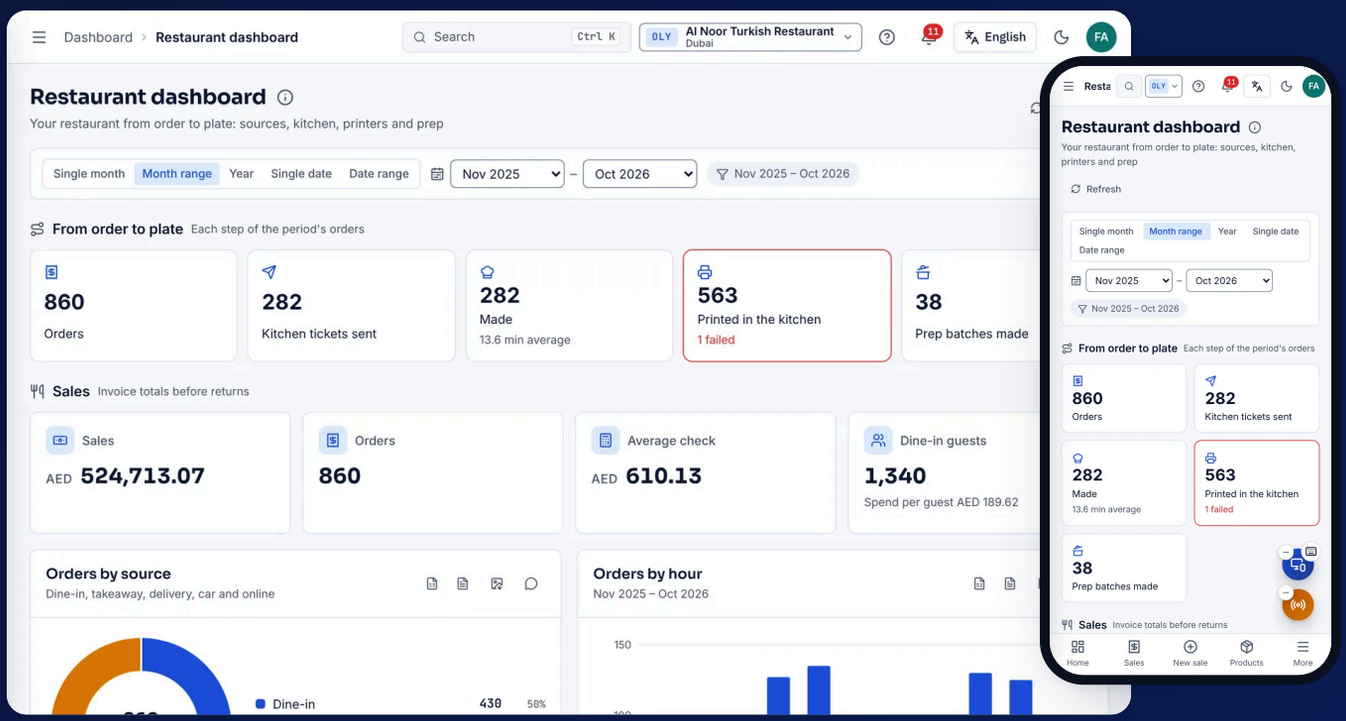

Turkish restaurants · Kebab and ocakbaşı grills · Pide and lahmacun bakeries · Döner shops

Questions owners ask

Do kebabs and pide go to different printers?
Yes. Each dish has its station: the ocakbaşı grill, the stone oven, the kitchen or the tea and coffee bar, and each station gets its own ticket or kitchen screen.

Can a mixed grill be sold for 2 or 4 persons?
Yes. The mixed grill platter has a portion choice for 1, 2 or 4 persons, each with its own price.
